DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The reply filed on 5/12/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): A single ultimate disclosed specie was not elected for the first and second oligomers. Each oligomer is defined by the end groups E1 and E2 in addition to the oligomeric units present. Therefore, single ultimate disclosed species also require identification of the end groups present, whereas applicant has only identified the repeating monomeric units.. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
